

<p><b>Karen Lynch – LGB Chair of Governors</b></p> 	<p>I worked in the Financial Services sector for many years and have continued to work in various clerical support roles since moving to Suffolk in 2010. I have two sons who both attended and thrived at the school, before completing their A Levels and moving on to university. I became a parent governor in 2013 and took on the role of Chair of Governors in 2017. I believe the benefits of having a small high school, committed to providing high quality education with a unique level of support &amp; personal development, locally, cannot be underestimated and I will continue to do what I can to support that.</p>
