Thank you for showing an interest in your child joining Stradbroke High School.

If you are applying for a place in the normal year of entry i.e. for a place in Year 7 at the start of the next school year please complete a CAF1 form available to download online at:

www.suffolk.gov.uk/admissionstoschools or contact the Admissions Team for a copy: 0345 600 0981

Before you complete this application form you should read the following note:

Note 1 – Previously looked after children Previously looked after children (children who were looked after, but ceased to be so because they were adopted, or became subject to a residence order or special guardianship order, immediately following having been looked after). You must provide evidence with your application that your child was previously looked after in the form of an adoption order, residence order or special guardianship order if you want this to be taken into consideration when ranking your application.

Note 2 – Child's current address / moving address Please give your child's current address. If you are planning to move house, and you want your future address to be the one considered as part of your application, please check the school's individual policy for information on what evidence, if any, you need to provide.

Note 3 - Private Fostering If you are caring for someone else's child for more than 28 days, you do not have parental responsibility for them and you are not a relative such as a grandparent, brother, sister, uncle or aunt (whether full blood, half blood or by marriage or civil partnership) or step-parent, you may be private fostering. It is a legal requirement that you contact Suffolk County Council on: 0808 800 4005 or email: customer.first@suffolk.gov.uk

Note 4 – Home to School Travel Children of compulsory school age (between 5 and 16) are entitled to free home to school travel if they are attending their nearest suitable school and are (a) aged under eight and live two miles or more from school, or (b) eight or over and live at least three miles from the school.

In addition, every school has a Transport Priority Area (TPA) that is used to decide if a child is entitled to free travel. The TPA may be the same as the catchment area, or, if there is a free school in the area, the TPA may be different. We recommend that you check the website: www.suffolkonboard.com/home-to-school-transport to find out if your child is entitled to free travel.

If your application for Stradbroke High School is an out-catchment school, you will normally be responsible for travel costs to that school. Travel to an out-catchment preferred school would only be provided by Suffolk County Council if it is your TPA school or the nearest suitable school to your home address with places available, taking into consideration the availability and cost of home to school travel, and your child is entitled on distance grounds.

Please note: the ages are taken at 1 September in each school year. If your child receives free home to school travel and is under eight years of age and lives more than two miles but less than three miles from the school allocated, travel will end at the end of the school year following their eighth birthday.

What to do next if your child is refused a place at Stradbroke High School If the school is unable to offer your child a place and you would like more information on what to do next, please contact the Suffolk County Council Admissions Team on: 0345 600 0981.
